*Free Pet-Themed Festival Returns to Henry Maier Festival Park in 2017*

MILWAUKEE, Wis. (February 23, 2017) – Pet-lovers, you're officially on notice...

Milwaukee's four-legged festival will be back this fall for another barkin' good time. The 4<sup>th</sup> Annual Fromm Petfest will be held on **September 23<sup>rd</sup>, 2017 from 10:00 am to 6:00 pm** at Henry Maier Festival Park.

Fromm Family Foods, in partnership with Milwaukee World Festival, Inc., the 501(c) 3 organization that produces Summerfest, "The World's Largest Music Festival," will once again bring Petfest to Milwaukee's lakefront at Henry Maier Festival Park. Last year's event attracted over 10,000 people and their pets for a day of fur and frolic.

Thanks to the success of Petfest and the enthusiastic families and pet owners who attend each year, 2017 will be even bigger with new vendors, attractions and activities to suit animal lovers of all ages.

"Our goal each year is to create a festival that the entire family, including pets, can enjoy," said Bryan Nieman, Brand Director and fifth-generation family member at Fromm Family Foods. "To see how warmly the community has embraced our event in just three short years has been unbelievable. With the support of Milwaukee World Festival, Inc. world-class facilities and so many unique attractions and activities, we are incredibly excited to bring Petfest back for year four."

With even more event space this year, Fromm Petfest will be jam-packed with furry fun. Guests and their pets can participate in a number of attractions, including dock diving, agility and lure courses, a doggie dash, dog park and bier garden, and the popular pet costume contest. Other much-loved activities include main stage pet entertainment, a shopping marketplace, kids' amusement area, music, food and Adoption Avenue, where dozens of non-profits will showcase rescues looking for a forever home.

"Since its inception in 2014, Petfest has been an excellent addition to the festival season and has enjoyed tremendous success, with an increase of over 22% just last year," said Don Smiley, President and CEO of Milwaukee World Festival, Inc. "We are excited to partner with Fromm Family Foods again this year to bring this unique and free event to pet lovers in our community."

Through the generous support of Milwaukee World Festival, Inc. and other supporting sponsors and partners, Fromm Petfest will be a free family event. Dogs and cats are welcome as long as they are on leash and up-to-date on vaccinations.
